## Profile

Curious, hardworking and adaptable. I formerly studied Int. Business so that I could travel the world, only to realise I was not passionate about it. My love for coding awakened while working with data automation in Python and ever since that moment I have not stopped learning.

## Languages

**English** (*Fluent CAE*) | **Spanish** (*Native*)

**Catalan** (*Native*) | **German** (*Basic*)

## Skills

**Soft Skills** (*Eye for detail, critical thinking proved with scaling up of Vamos Barcelona*)

**Technical Skills** (*Design, Front-End, Back-End, Collaboration*)

## Interests

Coding | Guitar (loading)

Music Events | Backpacking - Travel

Meditation | Scuba Diving
